

FRANZISKA WINDISCH

Department of Government ◊ University of Vienna

franziska.windisch@univie.ac.at

ACADEMIC EXPERIENCE

Research and Teaching Fellow

Since November 2023

Department of Government, University of Vienna

- Project: *The Role of Affluent Individuals and Their Lobbies in Taxing the Rich*
 - Constructed and analyzed a large-scale multilingual newspaper corpus using automated data collection, transformer-based text classification, and systematic manual validation with research assistants
 - Designed and implemented a pre-registered field experiment with multi-wave survey data collection, panel management, and causal analysis

Research Fellow

2022 – 2023

Excellence Cluster ‘The Politics of Inequality’, University of Konstanz

- Project: *Perceptions and Politicization of Wealth Inequality*
 - Conceptualized and designed data collection pipeline, coordinated research assistants

Research Assistant

2021 – 2022

Department of Government, University of Vienna

- Project: *Digitize!*
 - Contributed to the setup of an offline-recruited longitudinal online panel survey on political attitudes and preferences

Research Assistant

2019 – 2022

Department of Government, University of Vienna

- Project: *Austrian National Election Study (AUTNES)*
 - Coding and data management of large-scale textual data on party communication

EDUCATION

Doctoral Studies in Political Science
